GIVE COX DIVORCE, WIRES FIRST WIFE TO JUDGE HOFFMAN

First Wife of Preacher Wires Judge She's Willing For Divorce—Judge Still Inquiring, Holds Up Decree.

After a search of several weeks had proved to be unsuccessfull Cincinnati Court of Domestic Relations official yesterday received a telegram from Mrs. Murtice Cox, wife of Rev. Fred G. Cox, of Cooke, Vanlue, Ohio, Methodist minister, whose divorce case is under consideration by Judge Charles W. Hoffman, although the minister has taken another bride in this city under the name of Fred Cooke. Cooke formerly was located at Harrison, O.

"Give Cox the divorce," was the substance of the telegram, which was sent from Denver, Colo. Mrs. Cox used the name Cox in referring to her husband, although he stated during a hearing that his real name was Cooke. This is believed to confirm Cooke's statement that he married under the name of Cox the first time.

Mrs. Cox advised the Court to delib- erate concerning the custody of their children, one of whom, a girl, is with her. Judge Hoffman wired to Mrs. Cox, asking her to write to him im- mediately, giving full details concern- ing her separation from her husband and his divorce case. The case will not be decided until he receives a re- ply to this telegram, it was stated.

In her telegram Mrs. Cox also said: "Pay no attention to statement of Hoxie banker." This is believed to refer to a man representing himself to be a banker of Hoxie, Kan., who in a letter to the Court declared Cox was "all right," but had made enemies be- cause he was "a fighter."

FARMERS AND TRADERS MAKES GOOD STATEMENT

Unusual Statement Shown by Progres- sive Institution at This Season of the Year—Deposits Are Growing.

We call the special attention of our readers to the statement of the con- dition of the Farmers and Traders Bank appearing elsewhere in this is- sue of the Public Ledger. This state- ment will make very interesting read- ing to our citizens who are interested in financial affairs in the city.

It will be noticed that the total re- sources of the bank are reported as \$898,102.66 and it will also be inter- esting to note that the total deposits subject to check now in this bank are reported as \$728,421.09 which shows that the deposits are steadily growing.

At this season of the year this is an unusually good statement and is an indication of the healthy growth of the bank under its present management of progressive young business men.

PORCH WAIF WILL BE ADOPTED

The baby boy found on an East end porch several months ago who for the past month has been in the home of Mr. and Mrs. Harry Seamonds near Mt. Carmel, has won for himself a home and Mr. and Mrs. Seamonds have be- come very much attached to the youngster. Mr. Seamonds has made arrangements to have the child adopt- ed at the December term of the Mason Circuit Court making him a full heir. Mr. Seamonds is a very prosperous farmer and has no children. The lit- tle fellow has found one of the best homes in this section.

JUDGE NEWELL SUS- TAINED IN THE PUR- DON-DODSON CASE

Appellate Court Holds That Dr. J. A. Dodson Is Entitled to Election Certificate and That Contest Comes Before Council Itself.

The opinion of Judge Rollin Hurt, of Kentucky Court of Appeals in this case which leaves it just exactly as it was before suit was brought by Mr. Purdon. The decision received this morning removes all restraints on the Mason County Board of Election Com- missioners, which will now meet and tabulate the vote of Dr. J. A. Dodson in his race for Councilman in the Third ward and certify the same to council issuing to Dr. Dodson a cer- tificate of election to the office as he received a plurality of the votes cast.

The opinion of Judge Newell as sus- tained by the Court of Appeals is that the court was not in error for place- ing the eligibility of Dr. Dodson as a member of council to be attacked. This matter is solely for City Council to determine. Every legislative body from the Congress down to the coun- cil board in the smallest city in the country, is the sole judge of the eligi- bility of its members and the action of council is taken only when the seat of a councilman is contested on the floor of council.

Unless Dr. Dodson seat in council is contested before council when the new council meets for its first session on the first Monday in December, he will continue to hold the seat under the certificate of election which will be is- sued to him by the Mason County Election Commissioners.

Judge Hurt's review of the case is given in five typewritten pages and besides taking up each phase of the case separately, he cites former deci- sions of the Court of Appeals in each instance.

The burden of the review is on the two most important phases of the case. In the first place he sustains Judge Newell in his decision that Mr. Purdon is not entitled to the seat to which Dr. Dodson was elected by a majority of the voters in the Third ward. In the second place he states that the temporary injunction issued by the Clerk of the Court causing the Election Commissioners to hold up the tabulation of the vote and the issuance of the certificate of election should be dissolved and that the per- manent injunction asked for by the plaintiff should be refused.

TOBACCO MEN ATTENDING FARMERS' INSTITUTE

Realizing that there will be many farmers on hand at the big Farmers' Institute being held at Minerva Sat- urday, there were many local tobacco warehousemen who spent the day in this bustling little Mason county town in the interest of their warehouses. Next week is expected to be an un- usually busy one for the warehouse- men as they will be exploiting the good qualities of their warehouses to the farmers.

COMMON CLAY IS WELL PRESENTED BY SHANNONS

The Washington Theater was well filled last night to see "Common Clay" as presented by the Shannon Stock Company. This splendid play so filled with every day truths was deligh- tfully presented by the company and every one in the audience was more than pleased. Hazel Shannon is a good little actress and the entire com- pany is above the average stock com- pany class. The music furnished by the Shannon Orchestra is a delight.

JUNIORS DEFEAT SENIORS SECOND TIME THIS SEASON

The Junior basketball team of the Mayville High School defeated the Senior five Friday afternoon for the second time this season. The final score was 16 to 7. The line-up was as follows: Juniors: Forward—Pickett and Smith; Center—Tully; Guards—Rice and Power. Seniors: Forward—Brodt and Kennau; Center—McDon- ough; Guards—Crawford and Collins.

LARGE SHIPMENT OF FOWLS MADE TO THE EAST

A carload of live chickens in charge of George Alexander was shipped Fri- day to New York by the Mayville Pro- duce Company, who on the same day shipped three cars of dressed turkeys to the same market. This company has shipped a great amount of fowls East for the Thanksgiving trade this week.

LIBERTY WAREHOUSE IS NOW READY FOR TOBACCO

Popular Warehouse Will Again This Season Be Manned by the Splen- did Corps of Men Who Have Made This House Famous.

In another part of this issue today the management of the Liberty Ware- house announces that they are now ready to receive tobacco for the open- ing sale on December 9th.

It will be interesting to the growers of this section to notice that this warehouse announces that there will be no change in their line-up for the 1919-20 season. The same men who have made the Liberty house popular with a great number of farmers throught this section of the country, will be on the job again this year.

Mr. C. M. Jones, the hustling sales manager, has just returned from the Carolinas markets where he reports prices the best in years. He predicts prices on the Kentucky market this year the best the market has ever known and says that he and the crew at the liberty will be found on the job all season using their knowledge of the game and experience in endeavor- ing to get the growers who sell over their floors the highest possible dollar for every hand of the weed offer- ed.

VIVID CHINATOWN SCENES

Have you ever been in New York's Chinatown? The chief scene of vice there have now been cleaned out by the police, but in "The Miracle Man," George Loane Tucker's big Paramount Arterial picture, which will be the attraction at the Washington on Monday and Tuesday next, a typical haunt of criminals of the old days is shown in all its sordidness. From New York's slums the scene shifts to the high mountains near the sea, where a hand of crooks, who have come there to make money by commercializing the powers of an aged healer, are strangely transformed into useful and law- abiding citizens.

ELECTRIC PUMP GIVING ENTIRE SATISFACTION

The electric pump which has been installed at the Mayville Water Com- pany's pumping station, is giving com- plete satisfaction and is now keep- ing the city mains filled and at a good pressure. Work has been in progress for several hours on the large million gallon steam pump and it is hoped that this pump will be in operation this afternoon and within a few days the company hopes to have the reservoirs filled with water for fire protection.

BIG MUSICAL ENTERTAIN- MENT AT DOVER TONIGHT

The people of the Dover community are to be given a rare musical treat this evening when a high class Sextet of young ladies furnished by the Col- lisher Lyceum Bureau will present a very interesting program. Dover is only able to get this big program thru an open date in this district.

P. J. MURPHY.

It is expected that there will be an unusually large crowd at Minerva this afternoon and this evening to attend the Farmers' Institute in session at the High School there. The Mayville Boys' Band and quite a delegation of Mayville people are in attendance.

The Kentucky Court of Appeals yester- day sustained a motion to advance the case of Gault vs. Carpenter which was taken up from Mason county.

Mr. and Mrs. S. F. Reed left today for a week's trip to New York City.

PRESIDENT BACKS RED CROSS SEALS NOW GOING ON SALE

Wilson Writes to National Tubercu- losis Association Wishing "Very Best Success" to Effort to Raise Funds to Fight White Plague.

Washington, November 22.—Presi- dent Wilson has given his endorse- ment to the 1919 Red Cross Christmas Seals campaign by which \$5,000,000 is to be raised for the fight against tu- berculosis in the United States. This year a total of 650,000,000 of these lit- tle Red Cross Christmas seals will be offered for sale to provide the neces- sary funds for the nation-wide educa- tional and preventive campaign which will extend through 1920, and of this number 13,000,000 seals have been as- signed to Kentucky.

The President's endorsement and good wishes for the success of the sale are expressed in a letter to Dr. Chas. J. Hatfield, managing director of the National Association, in which the President says:

"Allow me to express again my deep interest in the work of the National Tuberculosis Association. I am very much interested to learn of the effort of the association to raise the sum of six and a half million dollars that the State budgets may be financed for the coming year, and I write to wish the very best success of the effort."

Each state has an organization af- filiated with the National Association. In Kentucky this Association is under the direction of Dr. J. S. Locke, executive secretary, and the cam- paign for the sale of the Red Cross Christmas Seals is in charge of Cap- tain M. B. Thwaitt, formerly an of- ficer in the United States army, whose offices are located in the Republic building, Louisville, and who will be glad to furnish any information to Kentuckians interested in the fight on tuberculosis.

The sale of the seals begins throught the nation December 1 and will be pushed until the quotas of the states are completed, but it is hoped by the promoters that the campaign can be completed successfully in ten days. Ninety-two per cent. of the amount realized from the sale of the seals in each state remains in the state where they are sold.

UNCLE AND AUNT MAKE CALVERT EARLY THEIR HEIR

Action Brought In Circuit Court To- day by Mr. and Mrs. Jesse Calvert to Legally Adopt Calvert Early to Make Him Their Legal Heir.

Mrs. Carrie M. Calvert, Jesse H. Calvert and Carroll Calvert Early joined in a petition filed in the Mason Circuit Court this afternoon asking the court to legally make C. C. Early the heir of Mr. and Mrs. Jesse Calvert.

Mr. Early, who was the Democratic candidate for Representative from Ma- son county in the November election, was reared by Mr. and Mrs. Calvert and has made his home with them since infancy but had never been leg- ally adopted. In the petition, the peti- tioners say that he has been a mem- ber of their family since he was of tender age; that he bears a portion of their name and is close to them by blood and association; that he is over twenty-one years of age and that both of his parents are dead. They state that they are desirous of adopting Mr. Early and making him capable of inheriting as heir at law of each and both of the petitioners.

Mr. Early joins in the petition and the prayer is that the court make an order making him the heir at law of both Mr. and Mrs. Calvert.

SOCIAL IS BIG SUCCESS

The social given by the Epworth League of the Third Street M. E. Church Friday evening preparatory to Win-My-Chum Week to be observed at that church all of next week, was a decided success in every way. It was one of the old fashioned socials such as have made the social side of church life at the Third Street M. E. Church famous.

PLANS ARE MADE TO COLLECT TAXES ON MASON'S DOGS

County Clerk Owens Appoints Depu- tie in Various Parts of the County to Issue Dog Licenses Which Must Be Paid Before January First.

County Clerk James Owens today received from Frankfort a supply of 1920 dog licenses and immediately he began to make plans for the issuing of licenses to the owners of the large number of dogs in various parts of the county.

Mr. Owens today stated that under the state law taxes must be paid to the state by the owners of dogs in the city of Mayville as well as in other parts of the county. Because the city levys a tax on dogs, some have been accused by Commissioners Cohen that license must be paid on all dogs whether they are required to pay a city license or not.

As the time is now quite short, all persons being required to have their dog licenses by the first of Jan- uary 1920—Mr. Owens today appoint- ed a number of deputies in the various parts of the county who will be sup- plied with dog licenses and tags and from whom any person may secure their license upon paying the neces- sary fees. The deputies appointed for this purpose follow:

Washington, John I. Claybrook; Sardis, H. F. Fowler; Orangeburg, Harry Cooper; Fern Leaf, G. O. As- bury; E. Mayslick, Harvey Collins; W. Mayslick, Will Fox; Helena, C. K. Ber- ry; Lewisburg, G. S. Strode; Minerva, Harry Smoot; Germantown, Dan Lloyd; Dover, L. R. Laycock; Plum- ville, John West; Murphysville, Hol- man Crawford; Dieterich, J. T. Wha- ley.

CIRCUIT COURT DOCKET IS VERY LIGHT ONE

Circuit Clerk James B. Key is today preparing his docket for the Decem- ber term of court. Friday was the last day for filing suits and the docket for the term shows 25 Equity cases, 6 common law cases and one appeal. This is one of the lightest dockets in recent years.

SPANISH "FLU" BREAKS OUT IN YOUNGSTOWN

Youngstown, O.—Spanish influenza has broken out among workmen living in steel mills here on account of the steel strike, according to announcement of Youngstown hospital officials today, who said that six cases had been taken to the hospital from the Ohio works of the Carnegie Steel Company, and three from the Brier Hill Steel Company.

Doctors are agreed that precautionary measures are more necessary than ever before. The secret of avoiding influenza is to keep the germs from lodging and developing in the respiratory organs—the mouth, nose and throat. The utmost care should be taken not to catch cold, for colds weaken the resistance to influenza germs. No one should be allowed to breathe in your face because the germs are often transmitted in this manner. Finally a good germicide should be used frequently, such as Turpo, which is a most effective germicide.

Snuff a little Turpo up the nostrils several times a day, and the flu germ will have little chance of getting lodging and breeding place. Many physicians and hospitals used and recommend Turpo.

Turpo is an effective germicide combining the old-fashioned remedies of turpentine, camphor and menthol in a pure mineral base. The ingredients have long been recognized as effective germicides, as well as having really wonderful qualities in relieving colds and congestions. As a preventive for flu, Turpo has been widely used and recommended. Last season, the druggists could not supply the demand for Turpo, so it is important to buy a thirty-cent jar of Turpo of your druggist now, while he has a supply on hand, and use as directed.

If in spite of all precautions, Spanish influenza develops, go to bed and summon a physician. Influenza is a serious malady, and requires the best medical attention.

Leaflets on Prevention and Treatment of Influenza and Pneumonia can be obtained at your drug store.

CHURCHMEN OF STATE WILL MEET IN LOUISVILLE

Religious Leaders Will Face Vital Problems Facing Churches at Louisville Conference in December.

Louisville, November 20.—Religious leaders of the state will be brought face to face with the vital problems which are confronting the church at the present time, in the conferences which are to be held the first part of December in Lexington and Louisville, under the auspices of the Interchurch World Movement. The entire field of church problems will be presented by some of the foremost authorities of America.

For three days, the conferences will discuss these problems, these first being stated by a principal speaker, and then being taken up from the floor by the delegates present. These delegates will be drawn from all of the Protestant churches of the state, and will come from practically every county. They will be heads of church boards, leaders in educational work, pastors of churches, and prominent laymen and laywomen.

Some of the most vital problems which will be discussed are world needs in the present hour of reconstruction, social unrest as it applies to industrial and racial problems, free speech and national loyalty and the need for Christian Americanization of foreigners. The city and rural surveys which are being undertaken by the Interchurch World Movement with the assistance of the various Protestant denominations will be examined and explained, as to the ends to be accomplished and the methods by which the surveys are being conducted.

Religion in the community and the hope, religious education, the problems of securing trained leaders for Christian work, foreign missions and the survey of foreign fields, which is being made, the enlarging of denominational programs and forward movements will also be made the theme of extensive explanation.

IN THE DAY'S NEWS

Followers of the Mormon faith today will observe the birthday anniversary of Heber J. Grant, who succeeded to the presidency of the church following the death of Joseph F. Smith a year ago. President Grant is the first native son of Utah to become head of the church. He was born in Salt Lake City in 1856. Since early youth he has been prominent in the affairs of his church and at various times he has fulfilled ecclesiastical missions to Japan, Mexico and other countries. In addition to his work for the church he has been prominent in business and finance, being president of a bank in Salt Lake City and a director in a number of large industrial, financial and insurance corporations. He has also found time to take an active interest in politics, having served in the upper house of the Utah legislature and as a member of the city council of Salt Lake City.

ROOSEVELT DOES IT WHILE OTHER FOLKS TALK

Incidents Recalled Showing Great
Fidelity of the Lamented Col.
—Theodore Roosevelt.

Since the death of Colonel Roosevelt, old-timers in Washington have been recalling many incidents illustrative of the tremendous vitality of the man, his determination to get things accomplished, and his unwillingness to let red tape interfere with the accomplishment of that which seemed necessary to be done. One of these incidents was recounted the other day of Col. William Boyce Thompson, chairman of the Roosevelt Memorial Association. It was narrated with much appreciation by a Congressman who didn't appreciate it so much when it occurred. It ran as follows:

The Government was co-operating with the Pennsylvania and Baltimore & Ohio Railroads in the project for a new station. The site of the Pennsylvania's old station—now the Mall near the White House—had been purchased by the Government, and it was proposed to raze the buildings. But Congress had been held late in a special session, and the members were anxious to get home, so it was decided to postpone the letting of bids for tearing down the buildings until Congress re-assembled the next fall. This duty naturally devolved on the Committee on the District of Columbia, which has charge of Government property in the District. Meantime a major of engineers was placed in charge, as custodian.

When the Committee held its first meeting at the next session of Congress, the matter of letting contracts for the razing of the old station was brought up. "Why, gentlemen," declared an astonished Representative, "there is nothing to tear down. I walked past there this morning, and there's nothing but the bare earth where the old station stood."

The Committee sent post-haste for the custodian, and the chairman asked him sharply what had become of the building he had charge of.

"It has been razed and the material stored, sir," replied the major.

"By whose order?" queried the chairman, red in the face.

"By order of President Roosevelt, sir."

"Where in hell did he get any authority to butt into our business?" exploded the chairman.

"Well, sir," said the major, "it is not for me to question the authority or the orders of my commander-in-chief, but to obey them. And I did, sir."

And Congress decided to consider it a fact accomplished, and let it go at that.

The Wakamba, the leading Bantu tribe in Uganda, are the most highly civilized black race in Africa. They had a decimal system of calculation when first discovered by white men. They also understand iron working and had a considerable knowledge of music.

TERRIBLY SWOLLEN

Suffering Described As Torture
Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while filling, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks."

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture.

I sent and bought Theodor's Black-Draught. I made him take a big dose, and when it began to act he fainted, and was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theodor's Black-Draught."

Theodor's Black-Draught will help you to keep fit, ready for the day's work. Try it!

THE HOUSE OF SWEETS

Public Sale

TUESDAY, NOVEMBER 25, 1919
10 A. M.

In order to settle a partnership, we will offer to the highest bidder: 205 acres of fine Mason County land, being a part of what is known as the Tucker land and the Estus Hendrix farm, located on the Taylor Mt. pike, about four and half miles from Maysville. We will offer this land in three or more parcels, and then as a whole, reserving the right to sell it the way it will bring the highest dollar. The improvements consist of a 6-room house and two smaller houses, four barns, two of which are good sized tobacco barns, and the other two are stock and tobacco barns combined. In this 205 acres there was only something like 35 acres in cultivation last year and this 35 acres is sown to grain and grass and a considerable portion of the grass on the farm is bluegrass. Any amount of locust posts on the land. This is good strong tobacco and corn land, a pure limestone soil with a clay subsoil. This land goes under the hammer at the hour advertised, and if you want a large or small farm, here is your opportunity. Terms will be announced on day of sale, which will be liberal and in line with the usual terms generally made on land that is sold through this section of the country.

BODY OF LOST CHILD IS FOUND LYING IN SWAMP

Foul Play, Is Decision of Coroner After Viewing Corpse.

Hammonton, N. J., November 22.—The body of little "Billy" Dansey, for whom a nation-wide search had been conducted since his disappearance from his home here several weeks ago, was found by a hunter in a swamp near this place Friday. After viewing the body Coroner Cunningham expressed belief that the boy was the victim of foul play.

The swamp where the body was found is about two miles from the Dansey home. The body was nude and this fact, the coroner said, is what led him to suspect foul play. Coroner Cunningham said it was impossible to tell without a more thorough examination whether there were any mark of violence.

Parts of the lad's clothing were found near the body. An inquest will be held at a date to be fixed later.

The child disappeared on October 2 and for weeks searching parties scoured the surrounding country. Many persons believed the boy had been kidnapped and supposed clues led officials to many sections of the country.

The Dansey boy was about three years old and was the son of Ilseu Dansey, who came here from Pittsburg, Pa., a year ago and purchased a small farm on the outskirts of Hammonton.

WASHINGTON MANAGEMENT BOOKS SOME BIG NEW ONES

Manager Russell Books Some of the Largest Pictures Released For Early Appearance at the Popular Washington Theater.

Mr. George Starkey, representing the First National Exhibitors, of New York, was in Maysville Friday in conference with Manager Russell of the Washington in regard to the early appearance here of some of this famous bureau's biggest and best releases.

The biggest films of the season were booked by Manager Russell including such stars as Mary Pickford, Constance Talmadge, Anita Stewart, Catherine McDonald, Blanche Sweet and in addition the season's biggest thing, "Back to God's Country."

Among the releases in which the big stars above mentioned will appear here are the following great pictures which are now setting New York wild: "The Hoodlum", "The Heart of the Hills", "A Temperamental Wife", "Virtuous Vamp", "Thunderbolt", "Beauty Market", "Midnight Romance", "Human Desire", "Her Kingdom of Dreams", "Hushed Hours" and many other big ones.

Manager Russell says that the First National releases no pictures that is too good for the local audience at the Washington.

PUBLIC SCHOOLS GET A BIG BOOST IN DECISION

Schools of Kentucky Will Share Proportionally in State Inheritance Taxes, Court of Appeals Rules.

Frankfort, Ky., November 22.—The public schools must share proportionally in State inheritance taxes, the Court of Appeals held Friday, reversing the Franklin circuit court in the suit of State Superintendent V. O. Gilbert to compel State Auditor Greene to apportion the school fund, \$417,928.50, of inheritance taxes collected during the last year.

Attorney General Morris took the view that, unless the law specifically apportioned revenues they went for the expenses of administering the government, not including special funds like that for schools.

The decision means that the schools will get half the Bingham estate taxes.

MR. DAVIDSON BECOMES OPERATOR AT WASHINGTON

Mr. Charles Eitel has resigned as moving picture operator at the Washington Theater and Mr. Evan Davidson has accepted this position.
